TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hooksett on Tuesday, the eleventh (11th) day of March, next, at ten of the clock in the forenoon, to act upon the following subjects at eleven of the clock in the forenoon. Polls will close at 7 P. M.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to give a discount of two per cent (2%) on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.

4. To see if the Town will vote to accept all Trust Funds not before accepted.

5. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1952 taxes, to be repaid therefrom.

6. To hear the reports of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.

7. To hear and act upon the report of the Town Budget Committee.

8. To hear if the Town will vote to accept the Budget in whole or in part.

9. To see if the Town will vote to raise and appropriate the sum of seventy-five (\$75.00) dollars to be used by the Merrill-Follansbee Post No. 37, American Legion of Hooksett for Memorial Day and Armistice Day ceremonies, as petitioned for by James E. Buteau and eleven (11) others.

10. To see if the Town will vote to raise and appropriate a sum not exceeding one hundred (\$100.00) dollars, to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in co-operation with the other thirty-seven (37) communities in this Region, or act in relation thereto.

11. To see if the Town will vote to raise and appropriate the sum of four hundred and fifty-eight dollars and twenty-one (\$458.21) cents; the State to furnish three thousand fifty-four dollars and seventy-six (\$3,054.76) cents, the same to be expended under the State Highway Department for Class V town road assistance, or take any action relative thereto.

12. To see if the Town will vote to raise and appropriate the sum of thirty-five (\$35.00) dollars to install a street light at the corner of Main Street and the road next to Bill Greenough's, as petitioned for by Laudia Duford and fifteen (15) others.

13. To see if the Town will vote to raise and appropriate the sum of thirty-five (\$35.00) dollars to install a street light on Smith Avenue, approximately two hundred fifty (250) feet from the Daniel Webster Highway, as petitioned for by Perley Rock and thirty-one (31) others.

14. To see if the Town will vote to raise and appropriate the sum of one hundred and five (\$105.00) dollars to install three (3) street lights on Dartmouth Street, as petitioned for by Mr. and Mrs. Joseph A. Letourneau and fifteen (15) others.

15. To see if the Town will vote to raise and appropriate the sum of thirty-five (\$35.00) dollars to install a light in front of the residence of Joseph G. Bernard, located on the Londonderry Turnpike between Page's corner and Howard Johnson's. The nearest light to the

above is approximately five hundred (500) feet either way. In addition to this the rate of speed that cars and trucks travel this road, makes it dangerous not only to the Bernard children, but to anyone walking, as there is only one sidewalk in summer and none in the winter. Petitioned for by Joseph G. Bernard and eleven (11) others.

16. To see if the Town will vote to raise and appropriate the sum of one hundred (\$100.00) dollars, to raise the salaries of the Auditors, so that the pay may take care of the additional work, due to extra taxes, as petitioned for by the Board of Selectmen.

17. To see if the Town will vote to raise and appropriate the sum of one hundred (\$100.00) dollars, to purchase a typewriter for use of the clerk to the Selectmen, as petitioned for by the Board of Selectmen.

18. To see if the Town will vote to raise and appropriate the sum of eight hundred (\$800.00) dollars, to clean and redecorate the interior of the Town Hall, as petitioned for by Marion C. Cate and eighteen (18) others.

19. To see if the Town will vote to raise and appropriate the sum of four hundred fifty (\$450.00) dollars to be added to Article 17 in the 1950 Warrant, said article to be reread at Town Meeting, as petitioned for by the Board of Selectmen.

20. To see if the Town will vote to raise and appropriate the sum of three thousand two hundred (\$3,200.00) dollars to extend the present sewer on Highland Street, easterly on Granite Street, a distance of eight hundred and twenty-two feet (822) as petitioned for by James Connor and thirteen (13) others.

21. To see if the Town will vote to accept Gilbert Road as a public road, and to keep it in passable condition at all times at an approximate cost of two hundred (\$200.00) dollars for maintenance, as petitioned for by Mrs. Jeannette Hewitt and eighteen (18) others.

22. To see if the Town will vote to raise and appropriate the sum of four thousand (\$4,000.00) dollars to widen, gravel and surface treat with asphalt the Pres-

cott Height Road, from the junction of Smith Road to the junction of Morrill Road, a distance of seven-tenths (7/10) of a mile, as petitioned for by Armand Chauvette and sixteen (16) others.

23. To see if the Town will vote to raise and appropriate the sum of fifteen hundred (\$1,500.00) dollars, to surface a portion of Farmer Road, approximately a half mile, starting from Londonderry Turnpike Road, as petitioned for by Carl W. Johnson and nineteen (19) others.

24. To see if the Town will vote to raise and appropriate the sum of two thousand (\$2,000.00) dollars to rebuild and surface treat with asphalt Smith Avenue from the Daniel Webster Highway to Mammoth Road, a distance of about eight hundred feet (800), as petitioned for by S. A. Mitchell and forty-seven (47) others.

25. To see if the Town will vote to raise and appropriate the sum of eight hundred thirty-four (\$834.00) dollars to gravel and surface treat with asphalt, Dartmouth Street from the Daniel Webster Highway to its dead end, a distance of three-tenth (3/10) of a mile, as petitioned for by Mr. and Mrs. Joseph A. Latourneau and fifteen (15) others.

26. To see if the Town will vote to raise and appropriate the sum of five hundred (\$500.00) dollars to gravel and surface treat with asphalt a portion of Jacob Avenue, starting at Joseph Albin's driveway and continuing in a northerly direction toward Smyth Road, as far as the money will go, as petitioned for by John H. Riddle and eleven (11) others.

27. To see if the Town will vote to establish a planning board of five (5) or seven (7) members, with duties as set forth in Sections 3 to 15 inclusive, of Chapter 53, Revised Laws of New Hampshire, 1942; to make a study of the town's development and report to Town Meeting, appropriate recommendations for the promotion and maintenance of the town's best development, the Board Members to consist of one Selectman and four (4) or six (6) other citizens appointed by the Selectmen, as provided in said Chapter 53 of the Re-

vised Laws, as petitioned for by Roland Levesque and twenty-six (26) others.

28. To see if the Town will vote to raise and appropriate the sum of three thousand (\$3,000.00) dollars, to purchase land and build a new fire house in the Lincoln Park section of Hooksett; the cost to be amortized over a three-year period as petitioned for by Leo N. Sasseville and one hundred twenty (120) others.

29. To see if the Town will vote to have the Road Agent appointed by the Selectmen, as petitioned for by Walter B. Scott and eleven (11) others.

30. To see if the Town will vote to adopt a non-partisan ballot for the election of Town Officers, as petitioned for by Walter B. Scott and eleven (11) others.

31. To see if the Town will vote to have the refuse in the Town collected by a contractor instead of by the Town. The cost of collecting will be paid by the individual. The rates will be set up by the contractor and approved by the Selectmen, and collected by the named contractor as petitioned for by Walter B. Scott and eleven (11) others.

32. To see if the Town will vote to raise and appropriate the sum of seven thousand (\$7,000.00) dollars, to build a Town Garage in which a fire proof room and a Selectmen's room would be included; the cost to be amortized over a five (5) year period, as petitioned for by the Board of Selectmen.

33. To see if the Town will vote to appoint a committee of five (5) men to make a study of all Town Roads, in conjunction with the Selectmen and Road Agent, and present at the coming Town Meeting in 1953, a long range road improvement program, as petitioned for by the Board of Selectmen.

34. To see if the Town will vote to raise and appropriate the sum of seven hundred ninety dollars and fifty (\$790.50) cents, to buy land to enlarge Head's Cemetery, as petitioned for by the Board of Selectmen.

35. To transact any other business that may legally come before said meeting.

Shall the provision in Chapter 171A of the Revised Laws, relative to the playing of the game of Beano, be adopted by the Town? (See your ballot).

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and fifty-two.

ONLY YOU CAN PREVENT FOREST FIRES

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and co-operative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state! REMEMBER—the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires!! Will YOU help!

THIRD ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

HOOKSETT VILLAGE WATER PRECINCT

The past year has seen the completion of all phases of construction in the new water system, with the result that the system is now supplying normal service to 175 families in Hooksett Village. It seems well, therefore, to review our activities since our last report.

At the time of our last annual meeting the main pipe line had been completed and service was being given to a limited number of consumers. Since that time numerous service connections have been made, so that we now serve 175 domestic units through 126 services. The permanent switch-board which had not been installed at the time of our last report was installed during the year, so that the system is now completely automatic. A number of adjustments had to be made during last spring and summer on this automatic equipment, but all difficulties appear to have been corrected.

The Precinct now has 22 hydrants in operation, including several old ones in the old mill system. These old hydrants have all been repaired and new parts installed, so that they are now in good working condition. Inspections by the State Board of Underwriters have been completed and a decrease in fire insurance rates became effective on April 1, of this year.

The major improvement made during the past year was the purchase of the Arel System on the west side of the river. Negotiation for the purchase of this system has been going on for some time and arrangements to take over Mr. Arel's customers were completed in December. This expansion gives the system approximately 20 new domestic units as well as facilities to supply several others that could not be serviced through our own system. Connections between the two systems have been recently completed and the Precinct is now supplying these consumers with water.

BOARD OF WATER COMMISSIONERS,
Hooksett Village Water Precinct.

School Census—Schedule B

The following data shows the number of children in the town of Hooksett as of September 1, 1951. However, this chart shows only the number of children from less than a year old through the age of eight years. It is to show the Board and the taxpayers the number of children we may expect in our schools for the next six years.

Ages	Boys	Girls	Total
Less than 1 year	43	22	65
1 year	28	26	54
2 years	25	30	55
3 years	35	27	62
4 years	46	35	81
5 years	32	29	61
6 years	34	22	56
7 years	31	22	53
8 years	23	35	58

Over a period of five years, statistics show that approximately 75 per cent of all the children who become eligible for the schools in the district, enter the public schools. It would seem, then, that in checking with the above census report and assuming that the figures already recorded will remain constant, the numbers should show about the following through age five:

Ages	Number of Children	Children to Enter Hooksett Schools in Grade One
Less than one year	65	49
2 years	54	40
3 years	55	40
4 years	62	47
5 years	81	61

Of course, the purpose of this data is to place before the Board and the citizens of the town as near as possible the number of boys and girls who will enter our schools within the next five or six years. And this Age Chart does not make any prediction as to how many new families will move into Hooksett with children entering our schools anywhere from Grade 2 to Grade 8.

During the period of time following the last district meeting the members of the School Board and the appointed building committee discussed at length with Mr. Farnum of the State Department of Education the advisability of adding from two to four additional rooms to the Village School building. The final decision was made in favor of a continuation of the status quo or a shifting of pupils from one school to another. Since education cannot remain static and before the problem

of reassigning pupils could be arranged, many parents descended upon the school board to protest very strongly against sending their children to another school. In other words, the committee, studying the need for new additions advised that the Board had the right by law to re-distribute the youngsters of the town. The parents, however, who would have been involved, strongly urged that some other method should be used and that they would send their children to no other school but the present one.

There is no question but that redistribution would solve the problem, but only temporarily or perhaps for five years. This will mean a strong stand by the Board or additional rooms at the Village School.

At the time both Lincoln Park and Martin's Corner Schools were built there was adequate room for any and all children to be housed. Today the rooms in both of these buildings are just about large enough to house not more than 20 pupils per room. In redistributing pupils the size of the rooms and the number of pupils per teacher must be constantly kept in mind.

If every parent could see the situation at the Village School today in the rooms housing Grades 5-6 and Grades 7-8, you would understand why we need to have more room for the boys and girls. This is also true at the Martin's Corner school now housing Grades 1 and 2. In this room we should allow only 8 or 9 pupils to get the greatest efficiency of learning.

The Budget

It seems more or less ironical to me to be discussing a budget in January to be voted on in March that will not be used until the beginning in July. Many things can happen between January and July. It is almost impossible, therefore, to estimate with any direct degree of accuracy just what will be going on when school opens next September.

It is worthy of note, therefore, to remember that the School Board has done everything possible to meet rising costs and at the same time hold the budget to a minimum. It is almost impossible, however, to avoid increases in teachers' salaries and tuition. Due to the vicinity of city schools and city salaries, a reasonable balance as well as a minimum must be established.

According to recent data received from the State Department of Education it is recommended that for beginning teachers with less than four years' preparation, the minimum salary should be \$2,200.00 and should be at least \$3,100.00 after 10 years' experience. It is also recommended that the minimum for a beginning teacher with four years' preparation should be \$2,400.00 with an increase to \$3,300.00 after ten years' experience. For five years' preparation, the range is \$2,600.00 to \$4,000.00. This means, then, that for some years to come the item of teachers' salaries will continue to represent nearly one-third of your total budget.

As far as tuitions are concerned, we again enter a phase of educational expense beyond the control of the taxpayer in so far as it touches the financial structure inside the district.

The tuition rate for Manchester's secondary public schools has been increased to \$275.00 over \$250.00 for this year. In Concord it will be \$290.00 as compared to \$275.00 for this year and the tuition rate to Pembroke Academy is to be \$230 next year as over \$215.00 today.

As the number of children increase the number of children who go to high school will increase also which means that this item for tuition will continue to rise.

What is to be the limit? No one, of course, is able to predict with any certainty, but let us speculate along one avenue of the problem.

Suppose the time comes, and it will, for Manchester and Concord to say to the School Boards of Hooksett, Auburn, Pembroke, Candia, and Deerfield that local pupils must be accepted first and therefore we have room in our high schools, after our own, for only those pupils who have a "rank" of 85 per cent or better. What conclusions can we draw? For one thing, it will mean that only the children in the upper 20 per cent of every graduating class from these smaller towns will be able to enter high school. What is to happen to the other 80 per cent of these graduates? Does it mean that in this land of equal opportunity just because your child is not an exceptional student he must forego further formal education? Does it mean that American education is going backwards?

These are the problems which your School Board have been facing for some time now and when you study the recommended budget for next year, please try to understand each board member's confusion and discouragement in trying to be fair to your children and at the same time be equally fair to you as taxpayers.

Thanks again for the kindness and guidance during the past year for all those men, women, and children who have in anyway contributed to the growth and welfare of the youth of the town. Your cooperation is deeply appreciated.

Respectfully submitted,

MURRAY H. WATSON,
Superintendent of Schools.
